

Shawn Watson, left, and Stephen Kerr, pushing cart, keep right on rolling while delivering The Tribune's Sunday Edition recently in Stouffville. The two use roller blade skates to get the job done.

Editor's Mail

Cancer Society says thanks

Dear Editor,
 Many thanks to the Claremont Guides, Brownies and Sparks Claremont and Greenwood Stores for helping to raise \$338.40 of the sale of daffodils on Friday, April 6. The funds went to the research into cancer for the North Branch of Pickering of the Canadian Cancer Society.
 Many thanks to the ones who bought daffodils. It was all greatly appreciated. Thanks to those who helped in any way.

Rosemarie Timms,
 President of the North Pickering Canadian Cancer Society

Tribune's help was appreciated

Dear Editor,
 We would like to take this opportunity to express our sincere thanks for your paper's support of our recent Tulips and Tea fashion show held at Parkview Village.
 Without your publicity previous to the evening of the fashion show, our fundraiser would not have been as successful.
 Through your support and the support of local businesses and residents, we were able to donate a portion of our proceeds to the Markham Stouffville Family Life Centre.

We are appreciative also of the coverage we received on the evening of the fashion show.
 We look forward to future interactions with the Stouffville Tribune.

BIA blasted

Dear Editor,
 Enough is enough.
 Who is running this town, Stouffville Council or the BIA?
 It seems the loud minority is holding up Council from other work by their constant whining and concerns only about themselves.
 Leave Council alone to do the job that they were appointed for.

J. Miles
 Stouffville

Bring your pool to an analyst before it sends you to one.

WHOLE TALKS

If you're a little anxious about pool care, maybe you need analysis: BioGuard Computerized Water Analysis.
 Just bring in a sample of your pool water. We'll test and analyze it free. Then we'll prescribe a treatment plan just right for your pool. Our trained professionals can detect problems before they start and save you money on "over-treatment".
 Take the worry out of pool maintenance. Bring your pool to BioGuard. We make swimming a heavenly experience.
