Music Mania makes a splash in 30th anniversary edition

Music Mania was a hit for the 30th time last weekend. Above, Kay Bessie sings in the Living Years as part of the choral group at Music Mania. Below, Susan Myers portrays Mayor Fran Sainsbury in the popular council skit.

At top, Maureen Gamble and Mike Mueller await their turn to play in the house band, while below, the dancers and singers kick up their heels in the 'Locomotion' number. At bottom, Al Dresser portrays the town's by-law officer as sets his sights on the SS Lovecraft aground in Duffin's Creek.
