Chamber president bids Home Show welcome

As the new President of the Whitchurch-Stouffville Chamber of Commerce and co-ordinator for the Home Show '90, I would like to take this opportunity to encourage everyone to attend the first Home Show.

Home Show '90 is a new concept which came into existence through a lot of hard work from our Home Show Committee.

Here is an opportunity to familiarize yourself with some of the retail and services that are available in our fine community.

Your attendance and general support will enable the Chamber of

Commerce to continue holding Home Shows on a regular annual basis.

The response from members of the community has exceeded our expectations, and to accommodate the participants we had to expand from 59 to 70 booths.

There is quite a variety of displays, demonstrations, free draws, entertainment and much more for all ages.

See you at the home show.

Larry Rugalski,
President,
