"YOU CAN GET INTO THE WORK FORCE!"

Lynn Missingham

"I enrolled because of the time factor. I needed to get back into the work force as soon as possible. Because I have been working for a long time, and can't afford to take a lot of time off. It's not a lot of theory. It's the basics. It's what you're going to have to know when you're out there applying what you learn."
