Country fun in the sun

Students at Whitchurch-Highlands Public School spent Saturday playing games and selling goodies to help raise money for the school during its annual Country Fair. Painted faces, like that of Justino Baldassarre (below) could be seen on many children at the event. Top left are winners of the hat decorating contest (from left) Shannon McCart, Alyssa Leece and Shelley Painter. Bottom left are cake decorating contest winners Stephanie Kirstein and Sean Chubbuck.

Monster Madness takes stage at Ballantrae Public School

An eerie operetta staged last week at Ballantrae Public School brought out some of society's favorite monsters and ghouls. Called 'Monster Madness,' the performance featured the school band and a cast of characters. At left, Dr. Frankenstein (Amy Butcher, far left), the Werewolf (Danne Margaris, centre) and Count Dracula (Mandy Van Veen) join other ghoulish friends at centre stage. Above, Happy Medium Andrea Wilson has a vision before her audience.
