PRINT PRODUCTION CLERK

Commercial printing company located in Markham-Finch area needs a Production Clerk to complement our production control team. Their duties will include maintaining inventory records, job costing, and preparation of daily production reports along with a variety of other duties. Experience in the printing industry would be an asset but not essential.

This is a full-time position with a salary equal to your qualifications and experience as well as a complete benefit package, but students will be considered for employment until the end of August if available for immediate employment. If you are interested, please forward a resume to the address below to be contacted for an interview, or call 297-1900 and ask for the Production Manager.
