## In Memoriams

When someone so close as you is no longer there, it feels as though we have lost more than a father and grandfather, but a confidant and a friend.

Many times I want to see and talk to you, and ask for advice, but I can only remember...

Do not stand over my grave and weep, I am not there, I do not sleep. I am thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you awaken in the morning's hush, I am the swift uplifting rush. Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry, I am not there, I did not die.

You may be forever missed, but never forgotten. Barry, Lisbeth, Jamie and Jessica.
