

More mail BBQ a success

Dear Editor,
Just a note to thank you and your newspaper for your support of the Stouffville Lions Beef Barbecue, which was successfully held Wednesday, June 27.

This annual event was never meant to be an income producer, but we thank the residents of Whitchurch-Stouffville for their support of Lions projects throughout the year, and in helping to kick off the Strawberry Festival.

Because of the ongoing support of the following merchants and individuals, we are able to keep this project non-profit:

Stouffville I.G.A., Schell-Lumber, Steve Wideman, Central Guaranty Trust, Bank of Nova Scotia, Stouffville Co-op, Chas. Richards and Sons.

We apologize to anyone we may have missed.

Sincerely,
Stouffville Lions
Club BBQ Committee

So Little To Ask For A Lot Of ATV

There's very little standing between you and a Polaris Trail Blazer ATV. You get all the great Polaris features, like the no-shift PVT (Polaris Variable Transmission), a tight 89-inch turning radius and comfortable floorboards, on a full-size adult frame.

All this ATV without asking for much. What more could you ask for?

WARNING: ATVs can be hazardous to operate. These are full-size machines designed to be ridden only by adults age 18 and older. For your safety, always wear a helmet, eye protection and protective clothing. Be particularly careful on difficult terrain. Polaris recommends that all ATV riders take a training course. For safety and training information, see your dealer or call Polaris at 1-800-328-9975. In Minnesota, 1-800-247-6670.
