

Ballinger's Briefing

MPP attends July conference in Maritimes

As you are aware the Legislature has adjourned for the summer months.

This session saw many bills passed and just recently our Labor Minister, Gerry Phillips, announced that Ontario's general minimum wage will rise to \$5.40 an hour from the current rate of

\$5 an hour. This will come into effect on October 1, 1990.

Although the Legislature has adjourned I will be busy over the next few months with constituency work and attending to committee business.

During the first two weeks in July in my capacity as a mem-

ber of the Public Accounts Committee I was in Newfoundland attending the Canadian Council of Public Accounts Committees.

This is an annual event and is hosted by a different province each year.

These are extremely informative meetings which also

allow us to become aware of the concerns and roles of other Public Accounts Committees across the country.

The Salvation Army of Georgina recently officially opened and dedicated a new Citadel Corps.

This is indeed a significant milestone for the Salvation

Army and welcome news to the residents of Georgina who undoubtedly benefit for the good works of the Salvation Army.

Congratulations to Howard and Eulah Shier of Uxbridge on their 50th wedding anniversary this past weekend.

Congratulation to you both.
