**Markham-Stouffville Community Credit Union Limited**

**WHAT IS A COMMUNITY CREDIT UNION**

It is a full service financial institution authorized under a provincial charter and governed by a local board of directors to accept deposits from and to make loans and mortgages to any member of the community it serves who qualify for assistance under normal lending practices.

A five dollar share purchase which is fully refundable if you should decide to close your account is all that is required and this entitles you to attend the annual meeting or any special meeting of the membership, and have a say in how your credit union is run.

Come in and meet the people who are committed to service in the friendly old fashioned way.

Visit our Stouffville branch today or come in and say hello when we open our new location in Markham in early October.

Looking forward to seeing you.
