**PRAYER OF THE HOLY SPIRIT** - Holy Spirit: You that illuminates everything, you that illuminates all the ways so that I may reach my goals, you that has given me the sacred gift of forgiving; forgetting the wrongs that others do to me and that every moment of my life are with me. I want in this short dialogue to give thanks for everything and confirm one more time that I do not ever want to separate from you no matter how major my material illusion may be. The wish that I feel to be with you and all my brothers one day will not be less in the eternal glory. Thank you one more time. (A person should say this prayer for 3 days before asking). During 3 days what you asked for will be received no matter how difficult it may be. Publish as soon as you receive what you asked. T.W.
