Cards of Thanks 660

A GIFT: In all professions, people are gifted to some extent. In the Nursing profession GOD gave a special place, for the Ladies in White. These people have compassion and empathy in their hearts, they feel for the patient, and give without asking for any return. If the Whitechurch Stouffville Markham Hospital was not built I probably be dead today. On January 20, 1991 I had a heart attack. I was rushed to the hospital's Emergency Unit, there the "Ladies in White" and Doctors saved my life. I wish to thank all the staff in the ICU for the help and understanding that they showed towards myself and my family. I also feel that the Government should fund and give as much as possible to this noble profession. To all the Nurses in ICU, thank you with all MY HEART, keep up the good work, and may God bless you all. *From: Paul Houston, R.R.#3, CLAREMONT, ONT.*

THE family of the late Garland Lehman wish to express their sincere appreciation to the relatives, friends, and neighbours for their kind expressions of sympathy, in the loss of a loving husband, father, grandfather, brother and uncle. Thank you to Rev. Glenn Gibson for his fitting eulogy and comforting words; to Dr. Smith and the Ambulance Service for their prompt response; to the organist and the ladies of the Missionary Church and to the O'Neill Funeral Home. Opal, Pat & Norm, Bud & Nancy and Bill & Linda.
