## Claremont Winter Carnival breaks the February Blahs

The Claremont Winter Carnival was a snowy success this past weekend, as people from across the area visited the hamlet for some wintry fun. Above, left, Sarah Isaacs (21 months) hides between mom Julia's legs at the pancake breakfast. At top, centre, James Pantin came well prepared for the cold. At right, Scott Davidson and daughter Amanda film the baby contest Sunday. At far right, top, Melanie Britton, 12 months was enthused at winning her category of the baby contest, while mom Margaret Britton beams with pride. Below, right, from left, Alexis Edghill, Daphne Armstrong, Monica Miller, Jodie Eagle, Denise Brown, and Kirstin Nagy, competed for the winter carnival queen crown. In front is Marla Fin, the 1990 queen. Nagy won the event.
