

# Volunteers needed

Plans for the upcoming Stouffville District Secondary School reunion are being steadily pieced together. Jim Rehill, Reunion '91 committee chair, said:

## REUNION '91 UPDATE

However, with the reunion has turned out to be a mammoth undertaking, with many hours of work involved. To this end, Rehill said the committee is looking for volunteers for the July 1 weekend event.

Volunteers are needed to handle parking, memorabilia gathering, refreshments, decorations and to man the various exhibits and ticket booths.

Rehill added that tables and chairs will have to be moved from the Markham Fair to the Rec Centre on June 27, and volunteers are needed for that task as well.

In fact, he said, there are jobs for anyone who wishes to lend a hand. Anyone who wishes to volunteer for a position at Reunion '91 is asked to attend a meeting of the committee in Room 124 at SDSS on May 15. The meeting starts at 7:30 p.m. Or you can leave your name with the high school by calling 640-1433.

# Search still on for former SDSS graduates

The Reunion '91 committee is still searching for some former students from 1966-67. If you know where the following students are, contact The Tribune at 640-2100, or call Stouffville District Secondary School at 640-1433.
