

# Foodbank appreciates receiving funds from those in 'tight, shiny, pants'

Dear Editor,  
I would like to thank all the Music Maniacs who outdid themselves in putting on this year's production of "Hollywood: Eh".

Each year, the proceeds are given to local charities. This year Hospice Markham Stouffville and the Whitchurch-Stouffville Foodbank (WSF) were the lucky receivers.

On behalf of the WSF, I would like to thank the United Church Couples Club who sponsored the event and Music Mania chairperson, Sandra Stronach.

The best part of this event is that these "maniacs" just want to entertain. They love to sing and dance, and some even did it in "tight, shiny pants".

I was amazed at the depth of community spirit, drive, commitment and talent that radiated from the show.

There were some outstanding performances from some talented individuals. After the closing banquet on April 27, extra food was donated to the WSF.

Fresh fruit and vegetables, cheese and buns were all greatly appreciated by our clients.

Music Mania is a fine example of a neighbor-helping-neighbor project which is our fundamental belief at the WSF.

I thank you so much for including the WSF in your celebrations.

Your generous donation will purchase food for the 50 families that the WSF is presently serving in the area each month.

Sincerely,  
Robyn Magee  
Coordinator,  
WSF
