

Soccer open house today

The Whitchurch-Stouffville Soccer Club kicks off the 1991 season with an open house barbecue at the Rec Centre field today (Saturday). The event, which runs from 11 a.m. to 1 p.m., is open to all players, parents, coaches, managers and executive members involved with the local club. The club commences its season next Monday, with over 200 house league players setting to begin play each Monday through Thursday evenings at the Rec Centre fields and at the Orchard Park Public School pitch.

Stouffville's Janine Jeffrey received her second gold last week after achieving gold in dance in the fall.

Stouffville skater gains gold level in freestyle

Stouffville figure skater Janine Jeffrey has reached the gold plateau for the second time. The 15-year-old skater skated well enough to earn both the elements and solo segments at Newmarket May 17, giving her her gold in freestyle. It was the second gold achieved by the 15-year-old, who got her gold in dance last fall. Janine succeeded in getting her senior silver elements and solo earlier in the year. She will attempt her sixth figure next month, which would give her her third gold. Janine's sister Nicole continued her upward climb as well. The 12-year-old skater, who completed her junior silver dances in late February, passed the first and second parts of her third figure recently. Nicole was successful in paso, a senior silver dance, on May 17.

Pee Wee homeruns overwhelm Thornhill

The Stouffville Dean Myers Pee Wees got their season off to a slugging start last Thursday evening at the town park, using the long ball to subdue their Thornhill opponents 18-6. The Stouffville squad trailed by a run after two innings, but the bats came to life in support of pitcher Paul Koert. Crowder had a total of three RBI's while Scott Assinck had four singles and a walk, crossing the plate four times. Evan Boyd, Koert, John McKinnon, and Tim Smart each stroked a pair of safeties. The Pee Wees are participating in their first tournament of the season this weekend in Bramalea. They return home for a league contest Thursday, May 30, at 6:30 at the main diamond in Stouffville's Memorial Park.
