

Rebate for missed blue boxes

Uxbridge council has asked Muscillo Transportation for a rebate on its bill for blue box pickup after a whole section of town was missed for four weeks.

The township was going to withhold payment but has discussed the problem with Muscillo's general manager John Bonham.

"We do not get communication about a problem when it occurs," Bonham told the Municipal Services Committee last week.

But both the mayor and CEO Alex Grant said Muscillo had been phoned several times about the lapse in service. Bonham said the messages did not get to him.

He also said the company has "a huge turnover of contractors" which results in temporary routing and pickup disruptions. Sometimes when the drivers are late people take their recyclables back inside and miss the pickup, Bonham said.

Grant and Bonham will negotiate an invoice reduction satisfactory to both parties.

Meanwhile, pickup over the holidays will be on Friday, Dec. 27 and Friday, Jan. 3 instead of the usual Wednesday or Thursday.
