Mayor responds to former councillor's letter

Dear Editor,
 Re: Letter from Wilf Morley, Feb. 4.
 With the help of my colleagues on council, four of my six campaign suggestions will be fulfilled within the given time frame and hopefully, the other two shortly.

I thank former councillor Morley for acknowledging what an excellent real estate salesperson I was for 12 years in this municipality. My loyal clients total-

ly agree. I love and believe in this town so I was able to convince others to move here.

I have always had a high regard for Wilf. He is an astute businessman. Had the residents of Whitchurch-Stouffville chosen him for mayor in 1988 I would have accepted and respected their choice! However, this was not the outcome of the election.

I will ask council to amend the compo-

sition of the Citizens Program Evaluation Committee and then offer my position on this committee to former councillor Morley.

I know that Wilf will be able to assist in their decisions as a former chairman of finance on Whitchurch-Stouffville Council. The Citizens Program Evaluation Committee will recommend to council new policies and guidelines designed to give a good level of service and still

save tax dollars.

Provided council concurs, I trust Wilf will accept my role on this committee to help achieve our goals.

He can advise the CAO as to his decision. I have forwarded this letter to *The Tribune* as he appears to prefer to do business this way.

Fran Sainsbury,
 Mayor,

Town of Whitchurch-Stouffville
