Markham, Stouffville Canadian Tire stores feature Stay Alert characters today

April is the second annual Stay Alert... Stay Safe month in Canada.

The aim of the program is to provide children with the skills and confidence to help protect themselves and to deal effectively with problem situations. The national Stay Alert... Stay Safe organization is supported by Canada's police chiefs, government officials and the Canadian Tire Corporation, and is a registered Canadian charity. It was founded in 1987 as a result of the tragic abduction and murder of 11-year-old Alison Parrott.

The national launch of the Stay Alert... Stay Safe program in October 1990, was made possible by both the support of the Canadian Association of Chiefs of Police, who have introduced the program to schools across Canada, and by major funding and other support by Canadian Tire Corporation and its associate dealers.

In April, in communities across the country, police officers will be paying visits to schools and shopping centres to help street-proof youngsters by discussing safety tips and handing out the Stay Alert... Stay Safe booklet, a 12-page comic book filled with tips for both children and adults.

Canadian Tire Associate dealers are also actively supporting Stay Alert... Stay Safe month by featuring displays, showing the seven minute, animated Stay Alert... Stay Safe video in store and distributing the 12 page booklet.

Canadian Tire stores in Markham and Stouffville will also have special visits from the Stay Alert... Stay Safe characters, Bert and Gert, the Alert Twins today.
