

Angie's Senior Ds win Ontario Women's hockey crown

(From page 15)

Lowery and Mayo also found the range, with Mudie picking up three assists, and Lowery, Claydon, Baetz and Coppins one each.

It is the second year in a row that an Angie's sponsored Stouffville women's team has come home with a gold from the OWA championships. The Angie's Pee Wees emerged victorious in last year's competition.

For the Stouffville intermediates, it was a case of not getting the breaks in their championship encounter with the National Capitals, as the Caps prevailed 3-0 Sunday.

The Stouffville outfit managed to carry the play for most of the game, according to coach Mary Liscomb. "The score didn't reflect the game," said Liscomb. "The play was in their end the whole game."

The intermediates won their opener 2-1 against Belleville. Jane Penchion had a goal and an assist for Stouffville with the Stephanie Parsons netting the other goal. Kim Knibbs and Bonnie Tait had assists. The Stouffville ladies were blanked 4-0 in their next outing

by the Caps before being burned by the Caps once again in the title match.

The Bantams were edged 1-0 by Peterborough in their first game, then fell 4-1 to Ottawa, with Jenny Williams netting the lone Stouffville score.

Stouffville students off to York championships

It's off to the York Regional championship in Unionville this week for Stouffville District Secondary School's Cynthia Zielonko and Jenn McGowan.

The Junior girls pair earned the trip to the regional Junior title event when it made it to the final match at the York

North finals at Dr. G.W. Williams SS in Aurora last Wednesday.

The SDSS Junior boys pair of Jason Reesor and Lindsay Haylow came close, but was edged by Langstaff SS in the finals at the same event.

Brian Snook's was the school's top individual Senior,

as he lost to a competitor from Bayview SS in the semi finals placing him third overall.

The SDSS Senior mixed pair of Julie Coleman and Kevin Nicholls went to the consolation finals, losing to King City to end up third overall.

Track students gearing up for new season

(From page 15)

The school's track team is to compete in the York Region indoor track meet at York University April 15, with another regional indoor meet set for April 22.

Connell reports the school has cancelled its annual fitness challenge competition, where students and teachers tested their stamina by doing straddle jumps, sit ups, rope climbing, and running in past years. Apparently the Stouffville school which always hosted the event was the only school to take the event seriously, leading to many a one sided victory.

The SDSS boys softball team who are always in the thick of things in regional play, will have pitchers Jody Infurnari and Mike Pongracz back this spring, along with the likes of Bill Pride and Ryan Burkholder.

The team, which is to be coached by Bill McKnight and Doug McCammon was to be practicing

this week with the season commencing the week of May 4.

The SDSS girls slo pitch team will include some of the school's top female athletes in Nicole Ellis, Tammy Wray, Christine Jackson, Kate McKnight, Wendy Burrows and Julie Jackson. Al Piette has accepted the coaching position for the team.

The school will hold its morning hockey finals May 1 at the rec centre, with the championship match up slated for 2 p.m.

Students from the school have agreed to sell bricks for the track complex Wall of Fame, with the proceeds going towards track equipment. According to Connell, the track committee had hoped to sell 170 more personalized bricks, at a minimum cost of \$150 each, but will probably have to settle for a lesser total of sales due to the poor economy.

SDSS has tentatively booked its annual Athletic Awards Banquet for Thursday, June 4.
