## Ballantrae students speak out

Students at Ballantrae Public School participated in their Speech Arts day recently. Photo at right, it appears that the students can't believe what they're hearing, or as in the case of Jennifer Cuddie at the far right, what they see. Other students participating included (from left) - Gillian Reid, Grade 6, Michele Klugman, Grade 5, Denise Gaeta, Grade 6, and Chris Pettitt, Grade 4. Photo below left, Gillian Reid put everything she has into her speech on self-esteem. Photo below centre, judge Ed Wells has a tough decision to make as he listens to the speeches. Photo below right, Rebecca Morrison, moderator of the speech contest, shines the winners trophy.
