Trivial pursuit

The Multiple Sclerosis Trivia Car Rally was held Saturday. Preparing to meet the challenge are, from left; Town crier Marcel Bossi, MPP Larry O'Conner, son Patrick, David Tsubouchi, Markham councillor and Bill Gale, MS Person of the Year.

Go for Green!

This year, all over Canada, people are *Going for Green.*

They're helping themselves and the environment by being active in the outdoors. It's easy, and it's fun!

- You can *Go for Green* every day - alone, or with family and friends.
- Going to the corner store? Cycle instead of driving.
 - Taking a walk? Take time to appreciate and care for your surroundings.
 - Organize a neighbourhood park clean-up and barbecue.
 - Make your next family picnic litterless.

There's lots of things you can do. Remember, every activity counts!

Imagine if five million Canadians chose to walk or cycle instead of using their cars for short trips - an average of only three kilometers a week. That would add up to a reduction of as much as 30 metric tonnes of car emissions in a period of six months.

Go for Green. Then tell us about it!

Count yourself in!
Tell us how you live actively and help the environment!

We'll highlight how Canadians *Go for Green*. Check your local newspaper and radio stations this Summer and Fall. We'll show how, together, we can make a difference!

Write to us at: *Go for Green*, 1600 James Naismith Drive, # 312, Gloucester, Ontario, K1B 5N4
A national project of Focus on Active Living '92, supported by Fitness and Amateur Sport and the Green Plan, Government of Canada.
