York Support Services Network provides Case Management and related services for children and adults who are developmentally handicapped, and adults with severe psychiatric conditions. We promote a flexible, forward-thinking approach to meet the individual goals of our clients.

PROGRAM MANAGER

Our Markham office location requires a dedicated professional to supervise a staff of 7-8 Case Managers and a small administrative staff. To be effective, you require a Masters in Health/Social Sciences or an equivalent combination of work and education, in addition to 2-3 years of experience in a supervisory role. You've also had direct experience with our client populations, utilizing your superior communication, organizational and interpersonal skills. Your own transportation is also required.

The salary is competitive and the benefits are excellent. Please forward your resume by June 26th to:

Louise Paul

Executive Director

York Support Services Network
