IN loving memory of our dear daughter and sister, **Lisa Northeast Jones, November 2, 1991**. I feel the cold I feel the pain Her hopes, her dreams were all in vain Will some tell me Why she died so young? We know her life had just barely begun We were shattered We expected it to last And for that it mattered She was made of glass She was a mother, a daughter, a niece and a wife. And I know there had to be more purpose to her life. What value is placed on futures What hope is there from the past When people choose to be so thoughtless Their victims are made of glass. We miss you more than words can express Sadly missed by Mom, Brad, Carrie, Racheal, Jacqui, Vince & Brendan.

IN loving memory of my parents - **Lisa & Gary Jones** Tragically killed Nov. 2nd, 1991. What I would give to clasp their hands Their happy faces to see To hear their voices and see their smiles. That meant so much to me. Sadly missed by son, Mathew.

IN loving memory of our son-in-law & brother-in-law **Gary Jones, Nov. 2nd, 1991**. There is a face that haunts us ever And a voice which brought us cheer And a smile we'll forever remember When in silence we dry every tear. Sadly missed by Bev, Brad, Carrie, Racheal, Jacqui, Vince & Brendan.

WILLIAMS, Ronald James. In loving memory of a dear son who passed away Nov. 6, 1991. Through tears we watch you suffer We saw you fade away Our hearts were broken you fought so hard to stay. But when we saw you sleeping So peacefully free from pain We could not wish you back To suffer so again. Our hearts still ache in sadness. And our secret tears still flow. What it meant to lose you, Ron, No one will ever know. Lovingly remembered, love Mom & Dad.

WILLIAMS, Ronald James, to my Unky Bunky. I miss you I wish you were here You'll always be in my heart. Love Juston, Adair, Blair & Morgan.

WILLIAMS, Ronald James. In loving memory of a dear brother who passed away Nov. 6, 1991. Somewhere beyond the shadows Dwells a dear brother of mine Whom I looked on as a treasure Whom I cherished as divine. Forget you, Ron, I never will As a year rolls on I miss you still. The blow was great the shock severe I little thought the end was near. Only those who have lost can tell. How sad is parting and no farewell. Love always, your sister Darlene and brother-in-law Brent.

WILLIAMS, Ronald James. To my beloved brother who left us November 6, 1991. Memories are forever And so is this special place you have in my heart. I wrote your name in the sand Just to tell you I LOVE YOU. I knew it would be seen All the way to the HEAVENS ABOVE, there is something so special About your brotherly love I thought you would always be here for me. But fate knew different You were one of the most WONDERFUL MEN I have known in my life. If I could have just one wish I would wish you were here. LOVE is stronger than anything on earth. Fond memories play on my mind of yesterday and you. **LOVING YOU FOREVER, Fay.**
