TAXPAYERS TOWNSHIP OF UXBRIDGE MAKE YOUR TAX PAYMENTS EASIER WITH THE 11 MONTHLY POST-DATED CHEQUE PAYMENT PLAN

BENEFITS OF THIS PLAN:

- Easier on your budget by spreading payments out without any special interest or service charges
- Save the cost of postage or special trips and line-ups to pay your tax bills
- Avoid late payment penalties or worry about missing due dates

HOW THE PLAN WORKS:

- Each of the first 6 monthly equal payments beginning January 1 will be equal to 1/11 of your last full year tax billing (including garbage collection charges and/or B.I.A. charges if applicable).
- Beginning July 1 you will pay 5 equal monthly payments on the first of each month based on the difference between your current year taxes levied and the 6 equal payments made.
- You will be notified by mail as to the amount of your first 6 monthly payments in December and in June for the final 5 months payments.
- Your receipted tax bills will be mailed to you in late November.

TERMS & CONDITIONS:

- Your enrolment in the Post-dated Payment Plan can automatically be renewed each year by contacting our office.
- As taxes are calculated based on assessment value, if there is any change in your assessment value from the previous year you will have 2 options:
 1. Make any necessary adjustments to the monthly payment amount
 2. Withdraw from the Post-dated Payment Plan.
- If, for any reason, (i.e. property has been sold, business ceases to operate) you wish to be removed from the Plan you must notify the tax office in writing thirty (30) days before the next Post-dated cheque is due.
- Your first 6 post dated cheques must reach our office by December 15 each year and the final 5 post-dated cheques by June 15.

WHO MAY ENROLL:

- You must have no arrears outstanding on your account.
- Your last assessment must be a full assessment.
- You do not pay your taxes with your mortgage.
- You may also pay your business taxes under this plan.
