**WHEELER, Donald Mark.** In loving memory of a son who died July 13, 1977.

We'll always remember you, a red-bearded giant six-foot-five and then some, with a crooked grin and big laugh.

We'll always remember your quick enthusiasms and strong dislikes, and fierce loyalty to friends - to Mark and Ken, to Steve and Dave.

We'll always remember your love of motors, wheels and going fast, of thunder, rain and violent storms; of wind and waves and snowy blizzards - and of small animals.

We'll always remember your finger prints high on the wall - and ceiling too, your midnight hamburgers from Tommy's and passion for egg rolls.

We'll always remember you on your bike or driving a truck (delivering emergency road signs at 3 a.m.) pumping gas or cleaning cars or working at Participation House.

I'll always remember you eager to talk, so late at night, full of a dozen schemes and projects started - all now sadly left undone.

We'll always remember your twenty-first birthday in three weeks time - never to come.

Sadly missed by  
 Mom and Dad, Doug and Chris.
