## It's summertime and the living is easy

Summertime and the living is easy, with a host of interesting things to do right in your own neighborhood.

Love to fish but hate to come home empty-handed?

The fish are always biting at Burd's Trout Fishing recreational park, with a tasty catch guaranteed. It's a great family outing, with picnic tables and a small playground on site. No licence is required and rain and sun shelters are provided. Burd's is located on the east side of Highway 48, a mile and a half north of Stouffville Road.

Enjoy the beautiful Vivian Forest on a gentle and well-trained horse when you join the ladies' horseback riding club at Windquest Trails.

The forest provides an ideal trail riding venue for beginners and intermediate riders and the emphasis is on fun and safety. Windquest Trails is located at 16292 McCowan Road, just north of the Aurora Sideroad.

Lionel's Pony Farm on McCowan

Road welcomes families to its petting zoo, open Sundays from noon to 5 p.m., weather permitting. For information on birthday parties and group tours of the facility, call 640-7669.

Bring summer into your backyard with Betz Pools' latest addition - a top quality vinyl pool. A leading builder of concrete pools, Betz offers the best technology at affordable prices. For more information, see the advertisement on this page.

If you want to pack up and take your show on the road, drop into Leisure Stop on Highway 48, between Bloomington Road and Aurora Road.

Sales, service and rentals are available from the company, which specializes in Jayco Trailers and offers fold-down tent trailers, fifth wheels, travel trailers and truck campers, as well as a full line of accessories.

Bargain hunters take note - you'll find some terrific deals at Cedar

Beach Park's annual flea market. See details in the advertisement on this page. And if you're looking for a new

hobby with an emphasis on creativity, check out our ad for free summer ceramic lessons.
