Cards of Thanks

A Sincere Thank You to all the wonderful people who called, sent cards, and sent flowers and were there for me during my brothers illness and passing. Especially my beautiful sister-in-law Barbara who cared for Les 24 hours a day at home right up to the last hour and never complained. Also to Noreen, John, Willie, Jason, Nicole, my sons Paul and Chris, and my sister Dolores, who were there for Les when he needed a smile, a kind word, or just company. To my wonderful parents who never gave up hope right to the last hour. The doctors and nurses at the hospital for their kindness to Les. To my wonderful clients who understood when I wasn't always there for them, my very special colleagues at the office who took the time to see how was feeling, and to my marvelous tennis friends who cared so much about me. Thank you again from the bottom of my heart. I love each and everyone of you. You are all truly beautiful people. Sylvia Morris

In Memoriams

WILLIAMS:

RONALD JAMES

In loving memory of a dear son who passed away November 6, 1991.

I'll always remember your blonde, curly and unruly hair, and your quirk of a smile which only you had and your laugh and the cigarette in your hand. I'll always remember your quick enthusiasm and strong dislikes and loyalty to friends - to Mike, Bob, Norm and to many others.

I'll always remember your love for motors, wrecking races and of painting, travelling fast, rain, snowy blizzards, and doing wheelies in parking lots, and your kindness for children, and your love for a Chev pick-up 4x4 off road vehicle and of a dirt bike that could go through the rough fields and swamps where no one else could.

I'll always remember my son waiting with passion, for the leftover piece of raw pastry, left over from making his favourite cherry pie, which he tried so hard to make, he would never give up trying, his favourite dinner, roast beef, and of him saying "Mom, let me do the potatoes", and he whipped up the best!

I'll always remember you driving a truck, or racing model cars down the street and your art of fixing them for your friends.

I'll always remember your greatest fear of spiders, and your favourite nick names for your children, Babe and Digger and your early morning paper page 2 and of your coffee at Steer Burger on your way to work.

All these still left undone

I'll always remember your 28th Birthday, August 4th and to never come. Love MOM.
