660 Cards of Thanks

A sincere thank you to all the wonderful people who called, sent cards and sent flowers and were there for me during my brother's illness and passing. Especially my beautiful sister-in-law Barbara who cared for Les 24 hours a day at home right up to the last hour and never complained. Also to Noreen, John, Willie, Jason, Nicole, my sons Paul and Chris, and my sister Dolores, who were there for Les when he needed a smile, a kind word, or just company. To my wonderful parents who never gave up hope right to the last hour. The doctors and nurses at the hospital for their kindness to Les. To my wonderful clients who understood when I wasn't always there for them, my very special colleagues at the office, who took the time to see how I was feeling, and to my marvellous tennis friends who cared so much about me.

Thank you again from the bottom of my heart, I love each and every one of you. You are all truly beautiful people.
