Reader demands pool be re-opened for rest of week

Dear Editor,
This is the first time I have ever written the paper but I am so distressed over the closing of our pool the last week of summer holidays and the week prior to and including Labour Day that I must speak out.

Frankly, I'm even more distressed over the call I made to Mayor Fran Sainsbury last Friday. I was told by her she didn't know what was happening and was not up to date and to call the Recreation Centre myself to find out. How can a decision like this be made without the mayor's knowledge?

Has she lost control of what's going on in town?

The social contract is affecting all towns and cities in Ontario but all in York Region are at least keeping their pools open even though there are other layoffs.

It's time the families of Stouffville started speaking out against the "unprofessional" decisions being made by our

council and the insensitivity of the members in matters of family convenience.

Who is in charge? Holidays are no excuse, particularly

when you spend them at home in Stouffville.

I demand that this pool be opened for the rest of the week, including Labour Day for the

families of Stouffville.

Information sought on dog

Dear Editor,
To the owners of the loving female dog named Tasha left near Kennedy Road and Vivian Road wearing a collar with a note attached to it.

Would you please give me a call and give me more information about her.

Has she had her needles and has she been spayed? How old is she and what mix or breed is she?

I would like to find her a good home, but I need more information about her.

I know you must have cared for her by her loving nature. Please help me. I can be reached at 836-6324 or 473-3045.

NOTICE TO ALL RURAL AREA RESIDENTS

Town operated garbage collection service will commence in the rural area of the Town of Pickering on Wednesday, September 1, 1993. Residents fronting onto and living east of Regional Road 1 (Brock Road) will receive collection every Wednesday. All areas west of Regional Road 1 will be serviced every Friday.

Residents are requested to place white goods such as refrigerators and stoves out for pick-up on the first collection day of each month. Other large items will be picked-up with regular garbage. All materials must be at the roadside for collection by 7:00 a.m.

Non-collectible items include building material or building rubbish, automotive parts and household hazardous wastes such as paint, oil, thinners, pesticides, propane tanks, etc. These items must be disposed at the Brock West Landfill Site.

Residents are responsible to review local newspapers for information on the rescheduling of Holiday collections.

For further information please call the Public Works Department at 420-4630, or Browning Ferris Industries at 619-6506.
