

PRESIDENT'S MESSAGE

Meet old friends and new at the fair!

From the recorded beginnings in 1844 until the present day, Markham Fair has been a premier event allowing the agricultural and

urban communities to come together for friendly competition and enjoyment.

This year's fair is no exception. The 500+ volunteers have been busy since last year's fair planning and putting the final touches to make this year's fair even better. Many thanks to those who have contributed by entering their exhibits year after year and welcome to those who are first time exhibitors.

TREVOR HURLEY

An event the size and scope of Markham Fair could not be made possible without the continued support and enthusiasm of our local Councils for Markham and Whitchurch-Stouffville, the many local service clubs in the area and the enthusiastic contribution of our more than 500 Fair Committee volunteers. Last, but not least, I would like to thank the Board of Directors for your direction and continued support for 1993.

I would like to extend an invitation to all to come to the fair, meet old friends and new and to have an enjoyable time this year. The fair dates are September 30, October 1, 2 and 3.

Trevor Hurley
President
1993 Markham Fair

GOOD NEWS From the Bridle Post.

National Bank of Canada excels in personal service

In today's rapidly changing banking industry, one thing still holds true: customer service!

With so many choices available to the consumer, good customer service is what sets us above our competition, says Branch Manager Perce Newman of the National Bank of Canada.

As one of Canada's oldest banks, the National Bank of Canada has been providing a full line of financial products to meet the needs of its clients.

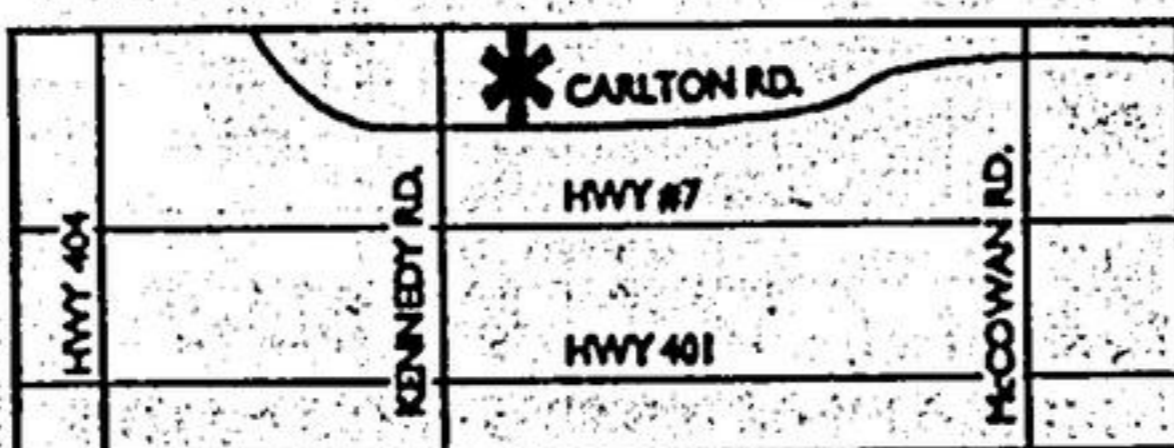

Located in Unionville, in the Bridle Post Plaza at 315 Carlton Road at Kennedy, the National Bank of Canada delivers on its guarantee of service quality every day with warm smiles, competitively priced products and knowledgeable staff.

Earning our customers' loyalty is an ongoing concern, says Newman. Consequently, it is important to us to meet our customers' expectations. The bank accomplishes this by offering a wide choice of traditional savings and chequing accounts along with their innovative Start-Up and Cool Cash accounts for the younger set! The bank's Daily Interest Savings Account continues to be very popular as is their Privilege 60 Account for those customers 59 and over. The bank also offers a full range of lending products for both mortgages and personal loans including the Variable Rate Personal Loan, the flexible Multi-Choice Mortgage and the affordable Auto-Option Loan.

Finally, to complement these traditional banking products, the bank also offers a variety of Retirement Savings Products, Retirement Income Funds and Mutual Funds.

The bank invites you to drop in and find out why, at the National Bank of Canada, you are always ahead in personal service.
