Keep on top of the real estate market with Larry Olson

In today's real estate market, it's essential to keep abreast of everything that goes on, and that's exactly what Larry Olson does.
 An Associate Broker with K.R. May Real Estate, Larry has over seven years real estate experience in the Stouffville and Uxbridge area. He is an Uxbridge resident himself.
 Larry's expertise is extensive in both rural and in-town properties, both resale and new homes. Currently, Larry is selling for Fairgate Homes in the new Campbell Heights area of Uxbridge.

"K.R. May Real Estate and I offer a wide range of real estate services to cover all needs. We can help with mortgages, give an opinion of home values and develop a system to market a home successfully," he said. "We have been quite successful, even in this economic climate, so we must be doing something right."
 Working in a small office definitely has its advantages, Larry said. "We can custom-tailor an individual vendor's package and market it according to their needs," he said. "We can offer more flexibility in

terms of commissions, advertising and presentation, and yet, being part of MLS means we're still part of a large network."
 Larry Olson really enjoys what he does, and it shows. "What I like most about real estate is the wide variety of people you meet. And I appreciate the opportunity to help individuals and families to achieve their goals."
 For all your real estate needs, call Larry Olson at K.R. May Real Estate in Stouffville at (905) 642-2223 or visit the office at 5710 Main Street.
