

Town seeks provincial funding for water works

The town will take advantage of provincial funding assistance to improve or con-

struct sewage and water works projects throughout the community.

Local politicians will direct staff to apply for the Special Category Loan, offered by the province through the municipal

assistance program by the Ontario Clean Water Agency.

Applications will flow to the province from municipalities hoping to receive assistance for communal capital water and sewer projects.

Stouffville will reapply for the Ballantrae-Musselman Lake communal water system and the Stouffville sewer and water rehabilitation programs, while York Region will apply on behalf of the Bal-

lantrae well and storage project.

The town will also apply for funding the feeder mains required in conjunction with the well for an estimated cost of \$350,000.

Barbecue helps out United Way

Stouffville's Main Street Bank of Nova Scotia is hosting a barbecue this Friday and Saturday in support of York Region's 1993 United Way campaign.

Bank staff will sizzle hot dogs and offer pop and dessert in front of the bank.

Patrons will be able to buy raffle tickets to win a mountain bike, which was given to the cause at a discount from Boyd's Sports.

Residents can also buy cashews all in the name of the United Way.

The draw winner will be selected Nov. 25 at the bank at 3 p.m.
