**Your Child Will Do Amazing Things at Futurekids.**

Children learn to do amazing - even impossible - things at Futurekids. They explore far corners of the Earth and beyond, grow forests, encounter illustrious people, solve mysteries and invent robots, just for starters. They can even save the world (using simulation technology).

**Computer Literacy Plus**  
 We put the power of computers to work to help kids build a solid foundation of fundamental learning skills, attitudes and knowledge; tools that can truly empower their lives. And kids really love to learn at Futurekids.

**Great Teachers, 4 Kids/Group**  
 Our computerized curriculum gives us unprecedented power to stimulate enthusiasm for learning through guided discovery and exploration in a cooperative setting with other children. Specially trained teachers and small classes - only 4 students per group - ensure that kids get lots of high quality individual attention and hands-on computer time.

**Sample The Magic, Free!**  
 Futurekids Learning Centers are magical places brimming with technology and excitement where we'll help empower your child for the future. Reserve your free introduction to the magic of Futurekids. There's no obligation, but enrollment is limited so please call now.
