# Spartans serve up silver

The Stouffville District Secondary School (SDSS) Spartans junior boys volleyball team came away from the Oct. 16 Pickering H.S. tournament with its second silver medal of the season.

The Spartans, who were also second at a tourney held at Queen's University earlier in the season, went undefeated in round robin pool play at the Pickering event.

The SDSS crew won its quarter final and semi final contests, but fell to Henry St. S.S. (Whitby) in the championship round. The SDSS squad was forced to play the final minus half its starting lineup due to job commitments.

Chris Lightfoot, Martin Reesor, and Justin Howell led the SDSS outfit in a well played final.

Earlier in the day, the Spar-

tans were led by the consistent hitting of Graham Crowder, Ian Ellis, and Don Patten, with Jason Whitelaw setting well. Shawn Sargeant was strong at the net.

The Spartans defeated Sutton H.S. and Newmarket H.S. in league games the week before the tournament, then went on to down Dr. G.W. Williams S.S. and Denison C.I. in Tuesday's league encounters.

# Spartans rule the hardwood floor

Jen Easter made two free throws with less than a minute to play, and Shannon Timms blocked a shot with just four

seconds remaining, to give the Stouffville District Secondary School Spartans midget girls' basketball club a 35-33 win

over Aurora High School in a recent York Region Secondary Schools Athletic Association contest.

Danielle Timms and Easter each scored 10 points while Shannon Timms added seven.

Following that game the Spartans improved their YRSSAA record to a perfect 4-0 with a convincing 81-21 win over Alexander MacKenzie on Monday.

Allison Crowder had 18 points while Jen Reesor added 13 and Danielle Timms, 12.

## NEVER AGAIN!

a War Amps video series

"In a war, everyone suffers... we must never let it happen again."

The War Amps believes it has a responsibility to warn younger generations about the true horrors of war. Who better to recount the battles as they really happened than the veterans who experienced war first-hand? The NEVER AGAIN! videos provide historical accounts of Canada's participation in the First and Second World Wars and Korea.

"When Kim Campbell or Preston Manning stare into your eyes and repeat, over and over, that social spending has gone wild and must be slashed, slashed, slashed - they must know that they're misleading you.

They could begin to reduce the debt by insisting on low interest rates. Or they could start collecting the billions in income taxes deferred by profitable corporations.

More than 60,000 profitable corporations in Canada paid no income tax last year. In 1990, Hollinger Inc., for example, reported millions in profits and strolled away without paying a cent of income tax.

This year, the corporate tax share will be less than 7 percent, and the personal tax share will be 46.5 per cent.

And just to make sure that you don't question all this too sharply, both the Tory and Reform parties worked a little sleight-of-hand to distract your attention - away from the corporate welfare bums, their perks, their profits and their high-powered lobbyists. Instead, they gave us someone else to blame. Immigrants. Welfare cheats. Special interest groups - you know, *women*."

- Michele Landsberg, Toronto Star October 22, 1993.

The **FACTS** are that the The Liberal Government will

- create jobs for Canadians
- support Canada's small and medium-sized businesses
- establish the Canada Investment Fund to be managed by private industry
- be committed to universal Medicare & Old Age Security
- be committed to replacing the GST
- make Canada's streets and homes safer
- bring Canada's deficit in line with other industrial nations

## Don't Wind Up in the Drink

Going for a swim when your head's already swimming is an open invitation to trouble. Water sports and alcohol just don't mix. So before you dive in, be sure you haven't been in the drink. The message is quite simple - leave the alcohol behind.

## DON VALLEY NORTH LEXUS - TOYOTA ATHLETE OF THE WEEK

Cerian Shepherd

Cerian Shepherd made her presence felt in Rochester, New York, recently by capturing the Varsity Race girls' division at the McQuaid Invitational Cross-Country Meet.

Shepherd, 16, won the three mile race in a time of 17:33. A grade 11 student at Markham District High, Shepherd's time was also second fastest of the day for a female competitor. Some 175 entrants from across Canada and the United States took part in the one-day event.
