GROUP TOUR
P•R•E•S•E•N•T•A•T•I•O•N

ISRAEL & EGYPT embark March 7 - 28 1994 with Rev. Doug & Mildred Shanks

About the size of Victoria Island, Israel measures less than 125 km (75 miles) across by 445-km (275 miles) from top to bottom, yet it embraces mountains, desert and seas; culture, mega-modern cities, and the living history of mankind as we know it. Here you'll find the oldest inhabited city in the world, the incredibly therapeutic Dead Sea, Mediterranean and Red Sea, and the Holy Land where three great religions of the world come together and worship according to their customs.

This tour also offers an extension to Egypt for the third week. We visit many sights and include a four day Nile cruise.
