Student music concerts a resounding success

Dear Editor,
I wish to thank *The Tribune* for publicizing Whitchurch-Stouffville's first Student Music Scholarship Concert.

Thanks to the support of music leaders and students within our "Family of Schools", the program was a resounding success.

Comments voiced by appreciative parents were all positive.

In excess of \$1,200 was raised, thanks to the assistance provided by the Stouffville Lions Club, the Canadian Progress Club and the Latcham Foundation. The proceeds will be divided equally among the five participating schools to assist in furthering their music programs.

It's the committee's hope that this concert can become an annual event.
