Stop griping: Reader

Dear Editor,
You surely must have been short of news last Wednesday. Why else would your headline read "Mayor's stance on statement irks resident."

That item is not front page news. It is old stuff. I am irked by the "irked resident."

I am sick and tired of all the attacks on our mayor. It is time we realized we have a fine upstanding woman, who has given years of dedicated service to us.

We should stand by her and help her in every way we can, and stop griping all the time.

Frances Vague,
Stouffville

P.S. I am a 40-year resident of the village.
