190 Medd Road, R.R. 1, Port Perry, Ontario
905-852-3273

Ashton & Associates Accounting Services provides a full spectrum of cost-effective accounting functions to meet the needs of its very special market, small business operators.

Formerly known as Ashton Bookkeeping, this company has recently hired permanent staff and committed itself to professional growth.

Extensive formal and practical training of the company's president, Heather Ashton, allows this firm to offer:

- start-up consultations
- cash-flow and budgeting
- managerial financial statements
- corporate tax filing
- complete basic bookkeeping
- accounting system and point-of-sale design
- computer training
- personal income tax returns

Computerization has been utilized in virtually every operational function. This has allowed the firm to specialize in providing more timely and understandable information both to itself and its clients.

Ashton & Associates understands small business owners are most efficient in specializing in their own product/service lines. Flexible business hours help clients keep in touch with professional results, not administration headaches.
