IMPORTANT NOTICE

Your Auto Insurance Changes on January 1, 1994

If you are injured in a car accident on or after January 1, 1994, you are automatically entitled to new, enhanced accident benefits from your insurance company.

- You are entitled to an income replacement of 90 per cent of your net income, up to a maximum of \$1,000 weekly, and up to \$1 million in necessary medical and rehabilitation benefits.
- If you are not working at the time of the accident, but suffer injuries that prevent you from pursuing employment or affect ability to lead a normal life, you are entitled to benefits.

If you are seriously injured and another driver is judged at fault, you can sue for pain and suffering. A deductible of \$10,000 will apply to any award given as compensation.

Your insurance company will provide you with more information on the new auto insurance system, either when you renew your insurance or if you have to make a claim.
