A flower shop with a unique concept

If you want to experience 'Springtime in Paris' all year 'round, visit Freshland Flowers Co. in Unionville. When the cold wind is blowing and the skies are grey, you can escape for a few precious moments, sip gourmet coffee at a sidewalk cafe, on a park bench under an ornate lamp post, or at a wrought iron table under a gazebo, while you're waiting for your bouquet of fresh spring flowers to be wrapped. Freshland Flowers Co. has brought a little of the springtime indoors. It's a unique concept, as staff prepare floral arrangements, both fresh and dried, at a flower stand under a green-and-white striped awning in full view of the clientele. A large selection of fresh flowers - in single stems and in bunches - are kept in the largest walk-in cooler in Markham. Customers can choose arrangements from the samples on display or have one custom-designed. The dry goods bin holds a large variety of dried flowers. Do-it-yourselfers can purchase by stem, or arrangements can be made to order. A member of American Floral

Services, flowers can be sent by wire to many locations throughout North America. Freshland Flowers Co. is both a wholesale and retail operation. Open since November 27, the shop offers quality service at very competitive prices. In addition to the fresh and dried floral arrangements, real and artificial trees and plants, Freshland Flowers Co. offers a full bridal service, plus gift baskets for all occasions. Gourmet food items and coffees are also available, as well as

unique gift ideas for the Christmas season. Right now, poinsettias are blooming throughout the shop, filling the atmosphere with color and festive cheer. Shop owners Adele Murray and Valerie Smith would like to extend a warm invitation to the residents of Markham to come in and enjoy a cup of coffee or hot apple cider while they finish up their Christmas shopping. Freshland Flowers Co. is located at 4361 Hwy. 7, just west of Kennedy Rd. Call 477-5459 for more information.
