

Warning: Don't Be Fooled By Appearances!

The fact is, even one drink of alcohol can significantly alter your good judgement. That means even if you or a friend appears to be okay, reaction time could be slowed enough to make a critical difference should a split-second decision need to be made.

This holiday season, don't take unnecessary chances. Use

the designated driver system, public transportation, call a taxi or stay overnight. Or be a trendsetter by hosting an alcohol-free New Year's party in your home.

Whatever you do, **DON'T** drink and drive. We want to see you again next year.
