The Sheer Weight of Truth at Latcham

A new exhibition entitled The Sheer Weight of Truth opened Jan. 8 at Latcham Gallery.

The exhibition comprises two and three dimensional works by the women's collective Side by Each, from the Niagara Peninsula. The gallery's Juried Exhibition will take place in April and local artists are invited to pick up an application and submit their works on March 22 and 23.

The theme will be works on paper. Latcham Gallery realized a record profit of \$5,600 from the art and silent auctions in November and \$3,900 from their sale, Beyond Craft.

A reminder that the next session of children's art classes runs from Jan. 22 to Feb. 26 from 10 a.m. to noon.

The fee is \$65 and includes all materials, but early registration is important as this is a very popular class.
