Mobility Transit to start Feb. 1

The Whitchurch-Stouffville Mobility Transit has
proven the need for transportation for the commu-
nity's disabled after approving 34 applications last
week to use the service.

Stouffville's Mobility Transit is expected to be up
and running by Feb. 1, said member Anne Gagnon
last week, ready to serve the five temporary and 29
permanent customers approved by the transit eligi-
bility committee.

Those who wish to apply for the first-ever mobili-
ty transit service in the area, are asked to call AAA
Taxi at 969-8294. Rides are available 24 hours a
day, seven days a week and can be provided any-
where within reason for doctor, hospital and dental
appointments, physio therapy, lab, shopping,
church, visiting friends, theatre, work, library
sports events - virtually for any reason, Gagnon
said. Applications, which must be signed by a doc-

tor and approved by the eligibility committee, are
still being accepted and can be picked up at local
doctors' offices and the town hall. Clients will be
expected to pay moderate user fees, however, as fol-
lows:

- * \$1.50 for a one-way trip anywhere in
Whitchurch-Stouffville;
- * \$3 for a one-way trip to hospitals, clinics and
medical appointments within York Region;
- * \$4 for a one-way trip for most other destinations
within York Region;
- * \$6 for a one-way trip to transfer points through-
out Metro Toronto area.

That would mean a disabled client could use the
Mobility Transit service to go shopping in Stouf-
ville and return home for \$3.

For more information about transfer points out-
side the region, call 969-8294 (local call.)
