

# Mike Mandel returns to SDSS

(From page 6)  
whole series of advanced study techniques, which include speed reading and learning, memory enhancement, creative problem solving and lateral thinking with brain hemisphere integration.

Named Best Variety Artist of 1991 by the Canadian Organization of Campus Activities, Mandel has performed for a variety of organizations including government, police, businesses, universities and secondary schools.

Mandel has been booked to appear at the school by the student council, said SDSS student council staff advisor Gay Eastman.

"The reason we have the performance at this time of year is that the students fin-

ish exams this week, and it's nice for them to have some light-hearted entertainment after exams and before they get into the second term," she said.

Mandel's first appearance last year was greeted with

great enthusiasm, she said.

To cover the cost of bringing him in, there is a charge of \$5 to attend the show.

Adults in the community who are interested in attending should contact the school office at 640-1433.

## Bus trip offered to Florida
