**HAPPY 65TH
BIRTHDAY**

A TRIBUTE TO RAM

It fills me with tremendous pride to honour a very special man near and dear to my heart. My father, Ram Chetty. Having been a teacher with the North York Board of Education for the past 26 years, he's had the opportunity to influence and shape many lives. Teaching is a special gift, one that requires a great deal of patience, dedication and commitment.

Ram, originally from South Africa came to Canada in 1968 when teachers were very much in demand. During his tenure, he's had a very challenging and fulfilling career, one that has seen many triumphs and rewards. This June, Ram will retire from Stanley Public School after having taught in South Africa, Zambia and Canada for a total of 46 years. When asked "How do you manage to stay so young?", Ram attributes his secret to moderate exercise, a positive attitude and no grey hair!

It is on this occasion, his 65th Birthday that I would like to dedicate this tribute to my father, a man who's greatly admired, highly respected and very much loved by all those who know him.
January 29, 1994, Sandy Chetty-Ettinger.
