# Efforts applauded

Dear Editor,

Words of gratitude to the Stouffville Fire Brigade for their efforts to contain and control the barn fire on Saturday evening on the Bloomington Road. The leadership and direction shown by Paul Stover we applaud. Indeed all the efforts of the volunteer firemen were very professional, very courageous.

The precautions taken to insure the safety of our property were very much appreciated.

The support given by so many individuals, the calls, the concern, the caring was very indicative of the wonderful community in which we live.

Thanks to all.

The Wells Family

# SOS congratulates zero budget for Stouffville

Dear Editor,

Good news. It is now official zero tax increase for the municipality of Whitchurch-Stouffville in the '94 Budget.

There are also several major road projects included.

We hope you are among those fortunate enough to have the repairs scheduled for the street or road where you live.

But please be informed while we as taxpayers will have zero tax increase this is a deficit

budget with the shortfall coming out of reserved.

We must still await York Region School Board budgets which are rumoured to be approximately three per cent Public, seven per cent Separate.

With elections scheduled for this November, we encourage every taxpayer in this municipality to become involved in the political process for change.

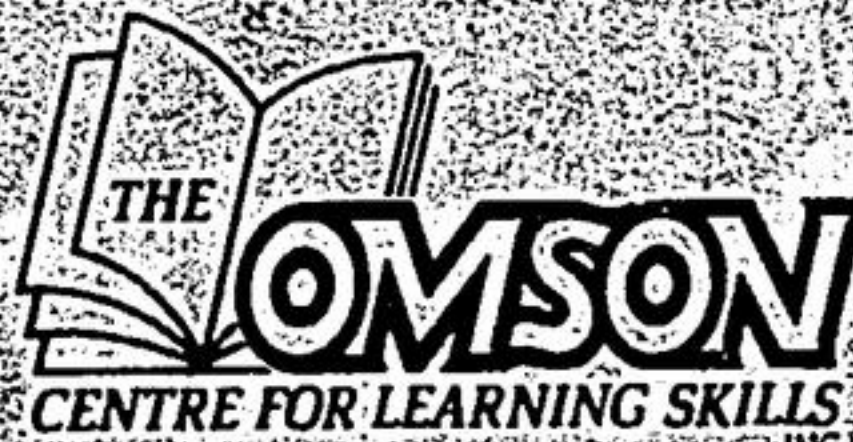

S.O.S. Executive

# Specialized Summer School Improvement Courses

Our summer school courses were developed to meet the needs of all students, those in elementary schools, those entering high school for the first time and those being promoted to senior high school grades.

Designed to enhance classroom performance in specific subjects, they also give students an added boost by inspiring self-confidence, fostering organizational skills and encouraging self-motivation.

For more information, call us today.
