# Torch Run will pass through town

Patrolling Lake Simcoe in a police boat, training with a police dog, working with a radar gun, touring a police station and shaking hands with the chief of the York Regional Police would be any child's idea of time well spent.

That's the prize for winner of the York Regional Police's "Police Chief for a Day" poster contest which closes May 15. The purpose of the con-

test is to raise awareness for the eight year old Ontario Law Enforcement Torch Run in support of the Ontario Special Olympics.

Pat Hester of York Regional Police said about 100 York Region officers will participate.

The poster contest in support of the event is open to all elementary school age students in York Region. Students are asked to depict a bicy-

cle safety rule on an 8 1/2" x 11" sheet of paper, including a brief statement about why that rule is important.

Entries can be submitted at any McDonald's restaurant in York Region.

This year's Torch Run through York Region will take place June 3. Participating officers will cover about 16 miles, making their way through Stouffville, Thornhill, Markham, Richmond Hill, Aurora and Newmarket, where the run will be concluded at police headquarters.
