

Strawberry Festival

Festival plans off to a running start

The Strawberry Festival plans are off to a running start.

The local road race is planned for July 3 this year. The early Sunday morning start will be in front of the high school like last year. A good response is well under way. Calls are coming in quickly from Orillia, Port Hope, and Scarborough. Local joggers are already planning their summer schedule to be part of this fantastic run on the back streets of town. The course is the same as before following Millard, North Street, 10th Concession, and back along Main to Edward Street to complete a 5 km loop. This is run twice for the full 10-kilometre distance.

Some of the joggers in town

have noticed more people out training for baseball or soccer.

This will enhance both groups as they become more fit and have a better lifestyle. Water stations have been set up on the course for safety factors and refreshment as the runners jog the route. Also, the traditional snacks will be provided again —

fruit, buns, drinks, etc. The awards will be given out with some cash prizes for the top runners. Race director, Fred Robbins has chosen not to run in the race this year. He is looking forward to increasing the size of the crowd. For more information, please call 640-6781.

For the kids

The kids who are 10 years of age and under will be given a chance to test their running skills. Each finisher will receive a medal and a drink box and cookies at the finish line. This is due to the support of Stouffville Pizza. This 1-kilometre run will be on the grass around the track

and high school. The starting time is 9 a.m. Registration is ongoing now, so start your engines. There is no charge provided parents sign a waiver that their child is able to run 1 kilometre. This is mostly for fun, so come out and join our Fun Run kids.
