INSTALLED SHOCKS & STRUTS

The advantages of gas-charged shocks and struts

① Nitrogen gas-charged struts cushion road irregularities and provide quicker, more consistent response than non-gas units. They also offer increased roll stability during cornering and give your vehicle a more positive feel for the road. 22-2270X

Example:
 '81-85
Aries/Reliant
104⁹⁹ each installed
 22-2275-2/2272-8

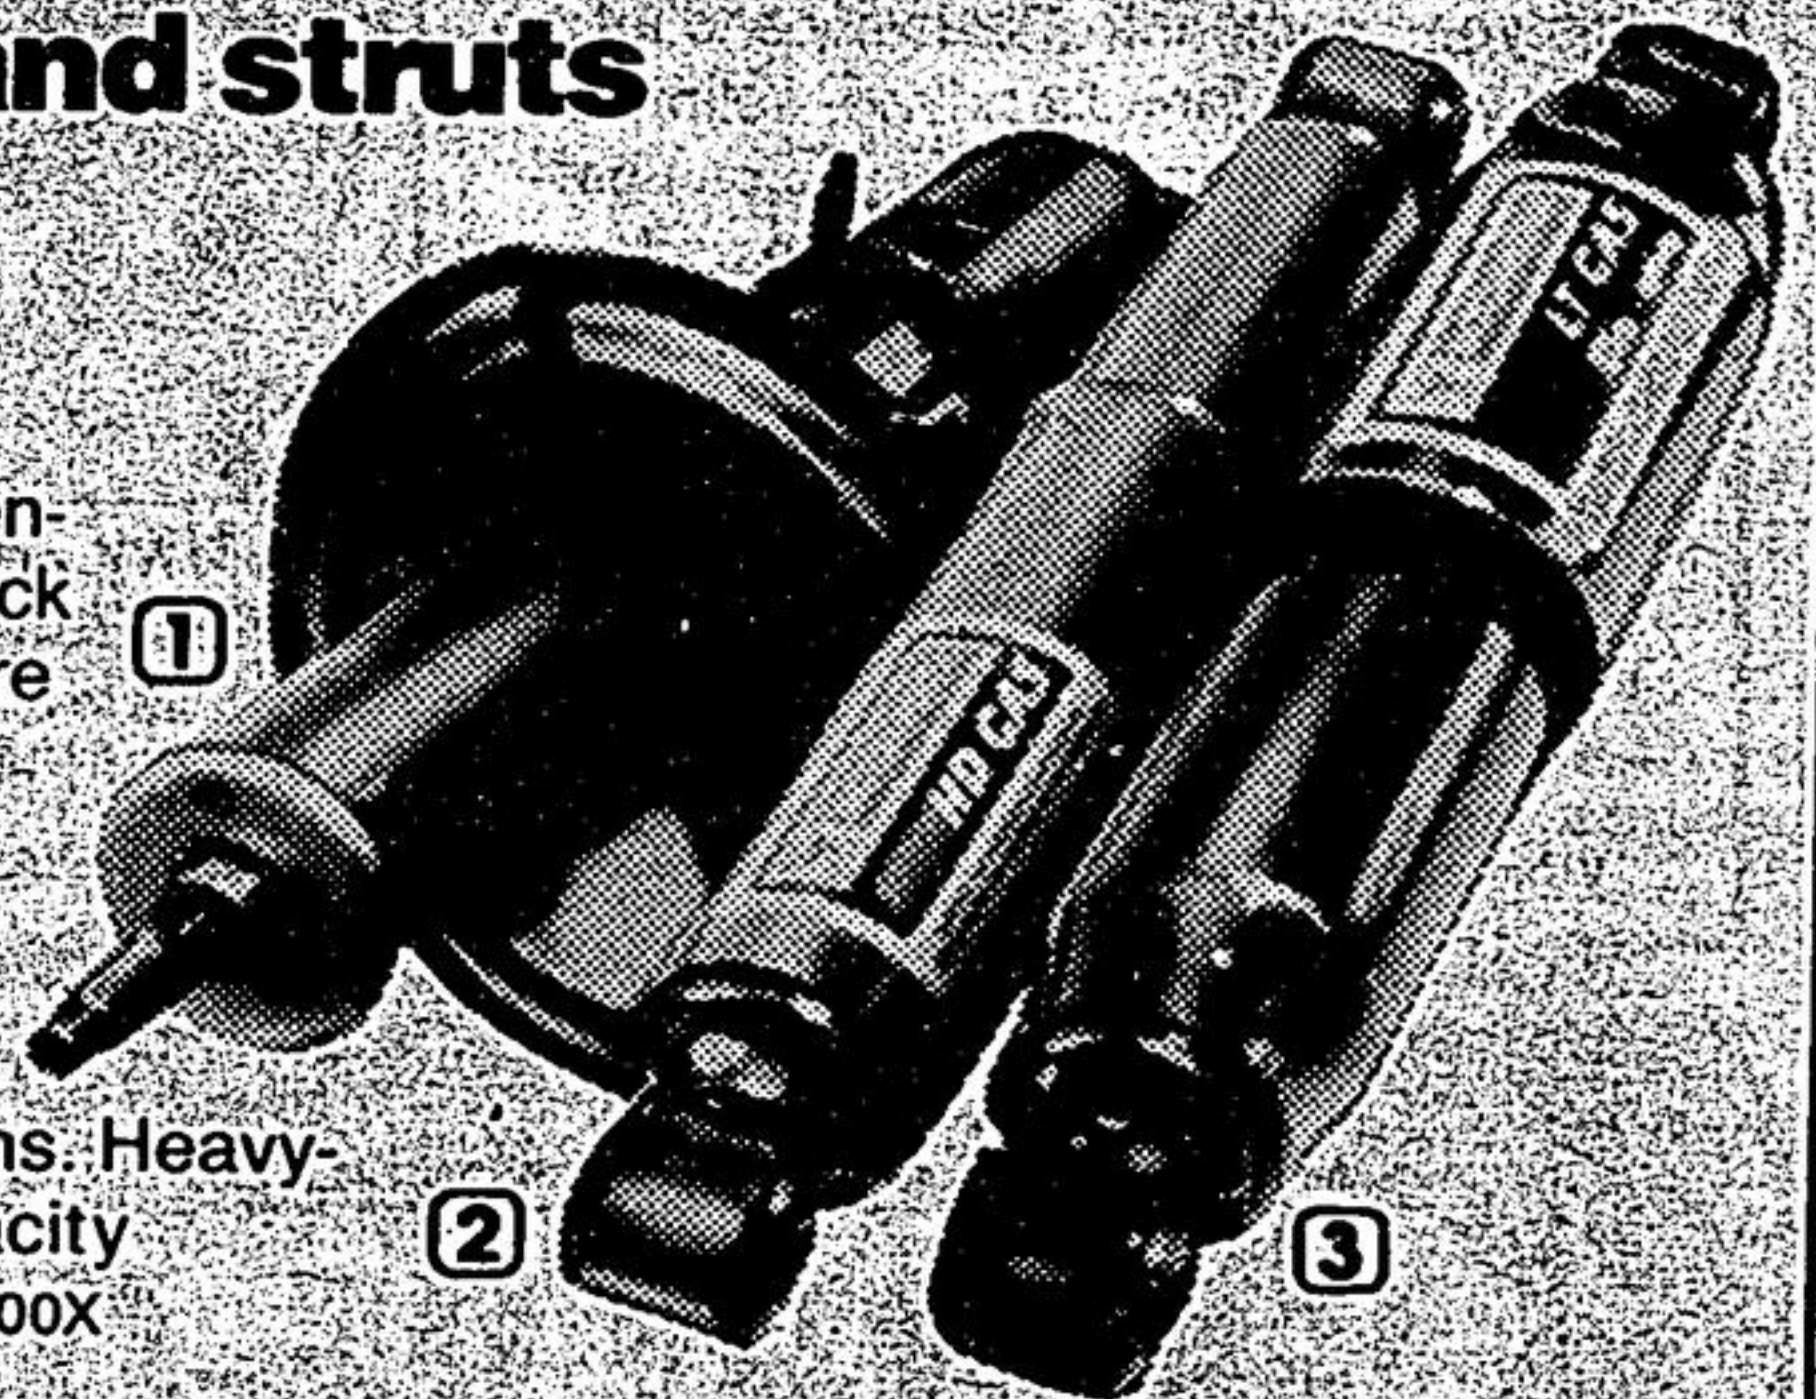

Example:
 '84-91
Cavalier/Sunbird
169⁹⁹ each installed
 22-2803-6/2804-4

42⁴⁹ each installed

② HD GAS® shocks are nitrogen-charged to virtually eliminate shock fade while delivering quicker, more consistent response. 22-0800X

48⁴⁹ each installed

③ LT GAS® for pickups and vans. Heavy-duty design and extra fluid capacity provides a firm, stable ride. 22-1200X

BRAKES

FRONT BRAKES

79⁹⁹ up
 (most cars, light trucks and vans)

Here's what we'll do:

- Replace front brake pads using quality Motomaster brake pads which come with a Lifetime Warranty. Includes semi-metallic pads where applicable.
- Inspect caliper mounting and sliders
- Inspect rotors for wear and/or damage
- Inspect hydraulic system for leaks
- Top up brake fluid
- Road test vehicle

Every brake job is different

Most vehicles require new rotors or resurfacing of existing rotors. Additional parts and labour are often required at an additional cost. A written estimate will be provided.

REAR BRAKES 79⁹⁹ up

FUEL INJECTOR SERVICE

59⁹⁹ Most cars

Our service experts will clean your vehicle's fuel injectors for improved engine performance and fuel economy. A service you can count on!

AIR CONDITIONING CHECK

Don't lose your cool!

Make sure your air conditioning system is in top condition before the hot days of summer.

39⁹⁹ Most cars

Our CFC-certified technicians will:

- Hook up gauges and record pressures
- Test for leaks
- Inspect compressor and cooling fan operation
- Inspect all belts and hoses
- Inspect condenser, vent operation and check climate control operation
- Test cooling efficiency in car

Additional parts and labour extra

GUARANTEED LOW PRICES.
